

TASK: Reattach Rings on Back of Material

Use If/When: Reattach rings on back of Woven Wood material because stitching broke.

Tools Needed: Sewing needle, Thread

1. Untie knot and pull lift cord through tie off bead.

2. Pull lift cord through ring(s).

3. Sew rings onto fabric using a needle and thread. The rings should be fastened to a strong, thick stick.

4. Push lift cord through ring(s).

TASK: Reattach Rings on Back of Material

Use If/When: Reattach rings on back of Woven Wood material because stitching broke.

Tools Needed: Sewing needle, Thread
